Do not use different fonts on the same slide.

Pick a simple font that is easy to read.

Some suggestions:

Arial  Helvetica
Chalkboard  Optima
Be concise.

The subject of your text and images should agree.

Do not write your narrative on the slide.
Rule of thirds

http://digital-photography-school.com/blog/rule-of-thirds/
1. Start with the end in mind

What is the purpose of your talk?

What does the audience expect?
2. Know your audience

3. Content, content, content

Resist the urge to write everything on the slide!

One idea per slide

Choose your thoughts

5. Outline your content

Jot down your ideas

Organize your note cards

Identify three concepts your want your audience to remember
